

Hi James,

My name is Daniel. I am 13 years old. I am from Argentina in South America. I live in Rosario. I am student at Marino School. I like my school. It is big school with 500 students. I like the science lab and the computer room. We are 35 in my class.

My favourite subject is Maths. We have got Maths at 09:00 on Mondays and at 11:00 on Wednesdays. My favourite teacher is Mr. Da-silva. He is our History teacher. His classes are fun. In my country, the school year starts in March and finishes in December. In my school, classes are from 07:50 to 03:30.

On Friday, we go home at 12:00. Friday is my favourite day.

What about you ?

Daniel.
