Dear William

Thank you for asking me about what I'll do in the future. Well, If I pass my final exam, I'll go to Lincoln Senior High School and study for three more years there. Then if I get my high school diploma, I'll work in a drive-in restaurant while going to night school. I'll take a marketing course.

But if I fail to get my high school diploma, I'll start work, full time, right away. Uncle James has already offered to take me as his assistant. I'll sell second hand cars, Just like him. And if I make enough money, I'll marry Jenny and start a family as soon as possible. I won't go to university anyway.

With my best wishes

Paul
