To be or not healthy

Fat Freddy is a very unhealthy man . Last year , he won the lottery so now he doesn't need to go to work .

His daily routine is something like this : he gets up at about 11 : 30 a.m and for his breakfast he eats chips and hamburgers . After breakfast , he sits in his Rolls Royce and watches TV until 1 o'clock . Then , he goes in the car to the pub , which is 400 metres away from his house . In the pub , he drinks a lot of alcohol and usually eats a sandwich . When the pub closes at 5 p.m , his chauffeur drives him to the cinema . he watches films until 8 o'clock . After that , the chauffeur takes him to a restaurant where he eats almost everything on the menu and drinks a large mug of cider . The chauffeur takes him home to bed at about 2 a.m .

Fat Freddy smokes approximately 40 cigarettes a day and this morning , as usual , he looked very haggard and complained to the chauffeur that he was not feeling too well and that he could not sleep at night .
