Jane's unlucky day

Yesterday was one of the most day in my life. I wasvery unlucky because I had a series of unfortunate eveents.

We were supposed to have a basketball match in another town, so our trainer took us by the school bus. On the way, we stopped to eat something. I ordered some soup and fish. When I was eating, I poured the hot soup on my clothes and I burnt myself. So, I went to the toilette to clean up. On my way, I got a hit by the table and I poured the team's drinks, they were all staring at me. I was really embarrassed. Back on the road, I discovered that I fogot my mobile at the restaurant. We were already too late back and take it, so we continued our trip.

We reached the stadium fifteen minutes before the match, so the players were running to change their colthes. While I was taking the stairs, I fell down and twisted my ankle. The team's doctor said that I couldn't play. This was really devastating!

The game began, and I was very sad but I stayed and cheered my team. Unfotunately, they lost the match and the championship. This was not the end of my misery, at night I had an awful ache in y leg. So my parents took me to hospital where the doctors gave me painfuln injections.
