## 10 Days Algeria Itinerary (Central & Western)

Hallo! , I'm Schmidt a German tourist, according to this album photo of my Japanese friend Tagashi and his advice, I realised that Algeria is a perfect destination to visit, so I spent winter holidays in Algeria. I'll tell you how was my itinerary across this big and lovely country.

**First**, I started my trip from "Algiers" the capital, I passed one day visiting its famous places like Casbah, I also drove to "Tipaza" to visit the Roman Ruins for a half day. **Second**, I travelled by a plane to "Ghardala", with a stopover in Laghouat Airport. "Ghardala" is famous with its ancient buildings and people there still wear traditional clothes, especially in "Beni Yezguen". **Then**, I flew to "Timimoun" the pearl of Sahara. It is very famous for its red buildings and its green oasis. **After that**, I headed into the west to "Bechar", towards "Taghit" where the beautiful dunes and the generous people, this nice place receives thousands of tourists every year. **Finally**, I flew back to "Germany" after spending one day in "Algiers".
